Kindle/Kindle Fire/Kindle Reading App

*Download Free Library Kindle ebooks to your Kindle, iPad, Android*

Ingredients:
Kindle eReader (registered with Amazon)**OR** Kindle App
Library card (in good standing) & PIN (last 4 digits of phone #)
Amazon account log in
Internet (Note: For wireless delivery of titles, you'll need Wi-Fi, not 3G)

Directions:
Unless you have a Kindle Fire or iPad, steps 1-10 should be performed on a <u>computer</u>. You can then transfer your ebook to your Kindle device/Kindle app via Wi-Fi (not 3G) or USB. If you will be reading Kindle books on your computer or mobile device, you must first install the free Kindle app (available from Amazon or your device's app store) and register it by signing in to your Amazon account.

1. Go to **www.library.mountainview.gov**. Click on **ebooks** in the left column of the library's homepage.
2. Click on **Overdrive.**
3. **Sign in** (top right). Select your library and enter your library card # and PIN.
4. Search for titles. Select *Advanced Search* to search by format—choose <u>Kindle Book</u>. You can check the box for ❑*Only show titles with copies available* to find items you can download right now.
5. If there are available copies of the title you want, click on **Add to Bookbag**.
6. Note: Titles remain in your bookbag for 30 mins. Click on **Proceed to Checkout.**
7. The default lending period is 7 days, but you can change this to 14 or 21 days on most titles.
8. Click on **Confirm Check Out.**
9. Click on **Get for Kindle.** This will take you to Amazon's site.
10. Click on **Get library book.** You will need to log in to your Amazon account if you aren't already signed in. You can choose a device or app for delivery of your title.
11. **<u>Kindle Fire users:</u>** You have one additional step: Tap **Download Now**. If the book does not show up on your bookshelf, tap the **Quick Settings** icon (looks like a gear wheel) and choose **Sync**.
    <u>Kindle/Kindle Touch users:</u> Your library book will appear in *Archived Items* the next time your Kindle syncs. **<u>Apple/Android/Blackberry users:</u>** Access your title by tapping on your Kindle app or via the Kindle Cloud Reader.
12. Enjoy your book!

To Transfer via USB: (Use this method when wireless transfer is not available or not permitted by publisher).
1. Follow steps 1-11 above. In your Amazon account, select **Download & Transfer via USB**.
2. Save the file to your desktop or someplace where you can easily locate it.
3. Use your USB cable to connect your Kindle to your computer.
4. Your kindle should appear as an external hard drive. Double click on it to open it.
5. Drag your downloaded ebook from your desktop to your Kindle's document folder.

Library ebooks return themselves! They expire at the end of their loan period. There are never any late fees. If you wish to return your Kindle ebook early, follow these steps:
1. Log on to **Amazon.** Click on **Your Account,** and then click on **Manage Your Kindle.**
2. Find the title in your **Kindle library.** On the **Actions** pull-down menu on the right side, click on **Return this book.**
